Description

Listed by Cody Brown, Engel & Voelkers Black Hills, 402-910-3553. Beautifully located in the historic and charming West Boulevard District, this spacious 4 bedroom 3 bathroom home offers classic character with flexible living options. The main level features a warm living room, formal dining room, wood floors, a kitchen with breakfast nook, plus a bonus room off the kitchen that can serve as an office or additional dining space. You will also find one bedroom and one bathroom on the main level, along with a small mud room and a private side porch. The upper level includes a generous primary suite with a bonus sitting area, walk-in closet and ample storage. The lower level provides two non-code bedrooms, a full kitchen, living room, bathroom and its own entrance, making it ideal for a guest suite or potential rental. Enjoy a fenced backyard with a deck, plus an oversized one stall garage. A rare opportunity to own in one of Rapid City's most sought after neighborhoods (a few of the photos are virtually staged).
