The White House is conveniently located at the beginning of the Spearfish Canyon Scenic Byway placing it super close to all of the amenities of Spearfish and outdoor adventures of the Northern Hills. This Black Hills Airbnb was tastefully remodeled by the previous owner with exquisite modern updates throughout. Inside on the main floor, the kitchen boasts modern appliances, walk-in pantry and a large picture window providing lots of natural light for the entire downstairs. An open concept dining and living room flows throughout the main level providing plenty of space for entertaining. Upstairs there is 3 bedrooms, laundry room and a fully remodeled bathroom.
