Description

***Sellers are now offering a $5,000 credit towards appliances or flooring and will buy down Buyer's mortgage interest rate 1 point with an acceptable offer. At last... home feels like a sanctuary. Nestled among the pines on 3 breathtaking private acres in the Black Hills, this beautifully maintained 5 bedroom, 3 bathroom ranch-style home with just over 3,100 square feet offers a rare combination of privacy, comfort, and unforgettable views. Loved and cherished by the same family since 2005, this property is filled with warmth, character, and timeless appeal. From the moment you arrive, the beautiful stone accents on the front of the home create a striking first impression that blends perfectly with the natural surroundings. Inside, large windows invite in natural light and showcase the incredible scenery from nearly every angle. Designed for both everyday living and peaceful retreat, the expansive 12’ x 35’ back deck serves as the heart of the home, offering direct access from both the living room and the spacious primary suite. Whether enjoying morning coffee, watching the birds, or listening to the whispering pines, the setting feels calm, private, and truly special. The large primary en suite provides a relaxing escape with generous space and comfort. The walkout basement adds even more functionality and connection to the outdoors, opening onto a poured concrete patio surrounded by the beauty of the Black Hills landscape. With multiple living spaces, a spacious ranch-style layout, and views that are a rare find, this home offers the kind of lifestyle people search for but
