Description

Listing provided by Paige McGee-Keller Williams Realty, Black Hills. Text/Call 605-381-8924 for showings! Are you tired of home projects consuming your weekends? We understand. That's why this home is already equipped with "free" time built in! Why put in new flooring when you can bring your own patio furniture and relax instead?! The back yard is a private oasis awaiting your personal touches. There's a custom bar in the garage for inviting over friends, family, book club, OR MAYBE your poker night crew! How can you beat that? Do you despise painting? No worries, that's been dealt with. An inviting warm toned paint throughout the entire home makes this feel so welcoming. The lighting in the home is so warm and cozy making this the perfect spot to add your lazyboy recliner and matching couch to hunker down on those snowy nights. Are you an RV-er seeking a place to store your rig? How about a boat? The alley access in the back with a large gate allows you to park inside the fenced yard. The point is, you might be missing the BIG picture here. It's worth a tour! This is an equal housing opportunity.
