Year built	**2026**

Description

Listed by Jamie Boomsma 605-430-2300! Welcome to 906 Petros Drive in Rapid City, a beautiful split-foyer home tucked into a gorgeous location that gives you the feeling of being in the Black Hills while still being right in town. Enjoy the convenience of Rapid City with the privacy and natural setting of a Hills-like location. The split-foyer layout provides plenty of flexibility with a finished bathroom on the lower level and room to add additional bedrooms. With the basement already offering the space to expand, the home has the potential to become a 4-bedroom, 2-bathroom property while giving you the opportunity to build equity as you finish the space to fit your needs. The home also includes a stainless-steel appliance package, passive radon system built into the home, and a 1-year builder warranty for added peace of mind. A great opportunity to own a home in one of Rapid City's unique settings while enjoying the potential to personalize the space and build equity for the future.
