Description

Motivated Sellers, REDUCED PRICE! Enjoy the added features this corner-lot home has to offer. In addition to the great spaces inside, the home features an in-house humidifier for added comfort while lighting abounds with LifeStrip lighting in the kitchen and (programmable) Govee Prism Pro lighting affixed to the outside of the home. The living room is plumbed for a gas fireplace and has large windows for an abundance of natural light. The basement family room and bedrooms also have large, above ground windows, allowing for plenty of daytime light. A heated garage is the perfect place for cool weather projects, and includes a work bench and above floor storage. The back yard has an entertainment area, perfect for a fire-pit. A deck and small garden section, increase the outdoor appeal. Underground sprinkler and drip water system, helps maintain the professional landscaping. The fully fenced back yard provides peace of mind, and is modern and functional. Just minutes from the interstate and easy access to Rapid City or Ellsworth AFB.
