Description

LOOKOUT MOUNTAIN PARADISE - Set on 31.07 acres just outside Spearfish, this distinctive five-bedroom, three-and-a-half-bath property combines comfortable country living, impressive views, expansive shop, RV hookup, and exceptional space for vehicles, equipment, hobbies, or recreational toys. The acreage includes rolling grassland, mature trees, dramatic rock outcroppings, a seasonal drainage, cross fencing, and sweeping views across the surrounding hills and valleys. The main level is designed to take full advantage of the setting. A vaulted, wood-paneled ceiling adds warmth and character to the open living area, where a floor-to-ceiling stone fireplace creates a striking focal point. Large windows and doors frame the landscape and connect the interior to expansive covered and uncovered deck areas. An adjoining sunroom offers a peaceful place to enjoy western views and evening sunsets. The spacious kitchen features custom hickory cabinetry, granite countertops installed in 2022, double ovens, a propane gas cooktop, built-in wine storage, a generous walk-in pantry, and extensive workspace. Log accents, maple flooring, solid six-panel wood doors, stone entry flooring, built-in speakers, and custom woodwork carry the home's natural Black Hills character throughout. A dedicated office and library includes built-in bookshelves, cabinetry, filing storage, a desk area, and a rolling library ladder.
