Description

Charming and move-in ready, this 2-bedroom, 1-bath home in Rapid City sits on a spacious 0.24-acre lot, offering the perfect blend of comfort and outdoor space. Inside, you’ll find updated laminate flooring and fresh paint throughout, creating a clean, modern feel. The functional layout makes the most of the space, while large windows bring in great natural light. Step outside to a backyard with a wood privacy fence ideal for relaxing, entertaining, or giving pets and kids room to roam. A great opportunity for buyers looking for an affordable home with room to enjoy both inside and out. Possible contract for deed available to qualified buyer.
