Description

Colisted by Lonnie Doney 605-407-1048 and Jeremy Kahler, 605-381-7500, KWBH. Nestled in the foothills of the Black Hills, this private cabin retreat is what you've been looking for! Set on 1.18 wooded acres just outside city limits, this home offers privacy and space to spread out. The comfortable living room makes a striking first impression, with whole log construction, a corner gas fireplace and large windows that bring in great natural light and allow the views to become a striking focal point. Prepare meals in the U shaped kitchen with Whirlpool appliances and good cabinet and counter space. Nearby dining room opens to the back deck for seamless indoor/outdoor living. A desirable layout, this home has 3 bedrooms on the main level and convenient main-floor laundry. Downstairs, the walkout basement adds valuable living space, with a large family room with 2nd gas fireplace, one additional bedroom, a bathroom with corner shower, and access to the drive-under, heated 2-car garage. Start your mornings on either of the large decks — one wrapping the front, one in back — while watching the deer and other wildlife roam. Unwind in the private hot tub, surrounded by trees for total seclusion. Fantatic location minutes from Red Rocks Golf Course, Sheridan Lake, and all the Black Hills has to offer. Recent updates include a new roof (2024) and freshly stained decks and exterior. This is Black Hills living at its finest- don't miss the chance to make it yours! Call today.
