School District	**Spearfish**

Description

Great homes in Top Shelf Subdivision tend to go quickly, and this one will give you plenty of reasons to move fast. Built in 2023 on 0.36 acre in one of Spearfish's most sought after neighborhoods, it offers 4 spacious bedrooms, 3 bathrooms, and 2,874 total sq ft with great views all around. An open floor plan, giant windows, and high vaulted ceilings fill the main level with light, and an electric fireplace anchors the living room. The kitchen features a huge island, a dedicated pantry, modern appliances, and opens right out to the big backyard. The primary suite offers a walk-in closet and a spa-style tile shower. A dedicated laundry room keeps things organized. Downstairs, an even bigger family room joins two more bedrooms, with radon mitigation already in place in the dedicated mechanical room. Outside, enjoy a 29x12 open patio perfect for BBQ nights, an underground sprinkler system, and a 1,068 sq ft attached garage with room for all your vehicles and gear. If you have been waiting for a nearly new home with high quality finishes and room to grow, this one is move-in ready. Book your showing today! Listed by Kim Holt, Real Broker LLC, 605-390-4802
