## Description

This charming one-bedroom, one-bath home is full of character and makes great use of its space! It features solid maple doors and millwork, luxury vinyl flooring, butcher block countertops, a built-in eating area and a beautifully finished bathroom. A wall-mounted electric fireplace adds warmth to the living room while a pull-down ladder provides access to the attic for additional storage or space to get creative. Outside, enjoy a covered back porch, a detached two-car garage and alley access. Conveniently located across from General Beadle Elementary and less than five minutes from downtown Rapid City.
