Description

This used home is a great opportunity for someone looking for an affordable property with potential. The home needs some work and updating, making it an ideal project for a handy buyer, investor, or someone looking to customize a home to their own taste. The home includes hardwood floors in the bedrooms and living room. Brick walls in the living room and kitchen add a unique accent. The unfinished basement is framed with 2 bedrooms with window well egress, a 3/4 bathroom, and washer/dryer hookups. The back yard has a chain link fence. This house is in a desirable west side location, with an elementary school just a block away, and middle and high schools in the area. With repairs, improvements, and some TLC, this property could become a comfortable and inviting home. It offers the chance to add your own style while potentially building value through the improvements you make. Sold as-is. Bring your ideas and make this home your own!
