Description

Distinctive European Tudor architecture, exceptional craftsmanship and a million-dollar view set 5325 Carriage Hills Place apart from the moment you arrive. Located in the desirable Carriage Hills neighborhood of west Rapid City, this remarkable residence offers approximately 7,198 finished square feet, 4 bedrooms, 6 bathrooms and an oversized 3-car garage, all situated on approximately 1.7 acres. Inspired by classic European Tudor design, the home has a timeless architectural presence and a character rarely found in today’s new construction. Inside, extensive custom built-in cabinetry, rich architectural details and three gas fireplaces add warmth and craftsmanship throughout the home. Four private decks take full advantage of the spectacular setting, creating multiple outdoor spaces to enjoy morning coffee, entertain guests, watch the sunrise or simply take in the expansive Black Hills views. The impressive primary suite is truly a private retreat, complete with its own deck and an intimate parlor-style sitting area with a gas fireplace—the perfect place to relax at the end of the day. With more than 7,000 finished square feet, the home provides exceptional flexibility for entertaining, overnight guests, home offices, hobbies and everyday living. The oversized 3-car garage provides the additional space and storage expected in a residence of this caliber. Situated in established Carriage Hills, the property combines privacy and breathing room with convenient access to shopping, dining, healthcare and downtown Rapid City. Head west and the lakes, trails and

recreational opportunities of the Black Hills are within easy reach. This is much more than a large home. It is a distinctive European-inspired residence with architectural character, exceptional living space, four private decks and a setting that is difficult to duplicate.
