Description

Welcome home to 4208 Meadowwood Drive, a prime Westside location! Filled with lots of natural light, this open ranch-style home features the perfect blend of character and modern updates. Upon entering through the front door, the living room is spacious enough to host a drop zone and still accommodate a comfortable seating area. Off to the side are two good-sized bedrooms. Both take advantage of corner windows, allowing for an abundance of natural light. While quaint, the bathroom has nice improvements such as a tile floor, newer vanity, paint, and lighting. The space is carefully maximized with open shelving as well. The kitchen sits beyond the living room and has been stylishly updated from floor to ceiling. Enjoy spending time in here with stainless steel apppliances and tiles backsplash. The kitchen window is sure to be a hit for any gardener or plant enthusiast! Head into the finished basement, you are welcomed by wood floors, a sizable family room, and updated lighting. The third bedroom is guaranteed to be a contender for your primary suite. It is so roomy! There is a large full bathroom down here as well. Offering more privacy or entertaining space to this home. But we don't stop there! Step out into the backyard for endless opportunities to expand your living space. Quiet coffee or dinner on the patio. Lawn games in the fenced-in yard where your dog can roam.
