Description

Beautifully designed 5-bedroom, 3-bath home with a dedicated office, stunning views, and an impressive layout offering space both inside and out! Step through the spacious entryway into an open and inviting main level highlighted by vaulted ceilings, abundant natural light, and a living room featuring built-in shelving and a striking stone fireplace. The kitchen is beautifully appointed with solid stone countertops, a wine refrigerator, pantry, and plenty of space for gathering and entertaining. The main-level primary suite offers a relaxing retreat with a walk-in closet and private bath featuring a standalone soaking tub and tiled walk-in shower. A dedicated office provides the perfect space for working from home, while laundry rooms on both levels add everyday convenience. The walkout lower level expands the living space and provides easy access to the stamped concrete patio and hot tub. Outdoors, enjoy the views from the generous 14' x 19' deck or relax on the lower patio. With five bedrooms, three bathrooms, thoughtful built-ins, beautiful finishes, vaulted ceilings, multiple outdoor living areas, and a layout designed to make the most of the space and views, this home has so much to offer!
