Description

Listed by Jenni Brue, Keller Williams Realty, 605-381-1055. For the first time in 27 years, this well-loved home is ready for new owners! Conveniently located within walking distance of Grandview Elementary, this 4-bedroom home offers something hard to find in the neighborhood—a spacious two-car garage and four bedrooms. Step inside to a welcoming living room that flows into the dining area and beautifully updated kitchen featuring granite countertops and crisp white cabinetry. Down the hall, you'll find three comfortable bedrooms and a full bathroom. Just off the kitchen is a large open pantry area with abundant cabinet storage and conveniently located laundry. Continue through this space to the primary fourth bedroom. Access to the backyard is just off the large pantry area. And what a backyard it is! Mature trees provide wonderful shade, creating the perfect place on the patio to relax, entertain, or gather around a fire pit. The large fenced yard offers plenty of room for pets or kids and outdoor activities and even includes a basketball court and storage shed. Easy backyard access leads to the oversized two-car garage, providing additional space for vehicles, storage, or projects. There are new windows throughout the home with fold down access for easy cleaning. Cypress street is a small quiet street with very little traffic. Plenty of off street parking here in the front of the home and in the extra long driveway as well as the two car garage. This home offers a convenient location with easy access to Monument Health, shopping, schools, and downtown Rapid

City. Come see it in person! Open house Saturday, September 19, 2-4pm.
