Year built	**2006**

Description

Welcome to Auburn Hills! This inviting 4-bedroom, 3 bath, 2600+sq. ft. home offers an open floor plan, quality finishes, and thoughtful updates throughout. The main level features warm hickory flooring, stainless steel appliances, dining area, and an expanded custom kitchen island that creates a great gathering and entertaining space. A new kitchen hood adds to the kitchen’s functionality and style. Upstairs there are 2 more bedrooms and the spacious primary suite which includes two walk-in closets, a double vanity, and a relaxing jacuzzi tub. Downstairs, the possibilities continue with a comfortable family room featuring stained concrete flooring, a third bathroom, spacious laundry room, and a versatile fourth bedroom/multipurpose room. Use it as a quiet reading nook, yoga or exercise room, home office, or mother-in-law suite. The room is plumbed for a sink, adding even more flexibility. Step outside to a peaceful backyard retreat with beautiful landscaping and gentle landscape lighting. It’s a wonderful space to relax or entertain, while the newer front deck and hardscape lighting add to the home’s outdoor appeal. The spacious two-car garage features an extended bay that provides a great workshop area, along with a heated garage. Recent updates include a new A/C unit in 2026, garage doors, water heater, water softener and filtration system in 2024. The home also features an underground sprinkler system and sits on a .21-acre lot Listed by Ginna Bragg: 605-484-7743 & Travis Coyle: 720-512-7354
