Description

Call or Text Listing Agent - Sue Cramer - The Real Estate Center of Spearfish - 605-645-2391 for more information. You'll be amazed at the energy you'll save on heating & cooling with these foam-insulated, poured-concrete walls from the basement to the roof! The covered front porch extends the length of the house. Enter to an open-concept floor design, with vaulted ceilings in the living room, dining & kitchen. Beautiful custom-built wood-burning fireplace in the living room. Deck off the dining area has a great view! The kitchen has so much storage with pull-out shelving in the hickory cabinets & pantry unit. Soft-close drawers and modern appliances. The home has wood, tile& stained concrete flooring throughout. Take the log accent stairway to the lower-level walk-out basement that features 2 additional bedrooms, a bath, a family room, and a sunken bonus room. Walk out to the patio ready for your hot tub. This home has a natural gas-powered whole-home generator, so no more worrying if the power goes out! There is also a reverse osmosis system. Whole-house humidifier installed. New water softener in 2025. New paint throughout the interior as well as outside. The 1.43 acres is level with native grass, trees, and rock landscaping, with plenty of room to build a shop if desired! Driveway has been blacktopped. 2026 HOA $2000/year for road & water. Buyer is responsible for verifying all information on this MLS document.
