Description

Just completed and ready to steal the spotlight, this is one of the newest modern luxury homes to hit the Spearfish market. This 2026 zero-entry ranch in Countryside Subd. was finished to a high standard from top to bottom, less than 5 minutes from I-90. Vaulted ceilings soar over the open living area, Andersen windows flood it with light, and a statement gas fireplace makes the room. The kitchen is built to impress, with granite countertops, soft close cabinetry, and a spacious walk-in pantry, all framed by Black Hills views. The main level has 2 ensuite bedrooms. The primary suite is pure luxury, with a walk-in closet and a spa bath featuring a freestanding soaking tub, a tiled walk-in shower, and dual vanities. Main floor laundry and a mudroom with built-in lockers keep everyday life effortless. The garage setup is a showstopper. The oversized, heated 2-car garage has a sink, a floor drain, and a 12x29 bonus space above. A heated 1-car lower garage with its own drain adds even more room for all your toys. Step out onto the oversized covered deck for sunsets over the hills. Below it, a covered patio opens off the walkout basement. The basement is framed and ready for your vision, or the builder can finish it at additional cost. The seller is offering a $5,000 appliance allowance and a $2,000 closet finish allowance at closing. Homes this new don’t wait around. Book your private showing today! Listed by Jeffery Christians, Real Broker LLC, 605-340-0768, and co-listed by Mathias Christians, Real Broker LLC, 605-920-1369.
