Description

Listed by Stacey Nelson 605–390–9028 Re/Max Results. Completely remodeled and move-in ready, this brightly lit four-bedroom, two-bath home is flooded with natural light and a perfect layout. With a new roof, new forced air gas furnace and Central air, custom tiled shower and bath, you can go wrong at this price! Even better, it is in a highly convenient location—just one block from Parkview Elementary and South Junior High. Enjoy coffee on the beautiful front deck or grill out on the back patio. Inside the main level has three comfortable bedrooms and a full bath, complemented by tasteful updates throughout that create a warm, modern feel. Downstairs, you'll find a family room, a beautifully designed custom walk-in shower and bathroom, and an additional non-conforming bedroom—perfect for guests, a home office, or flex space. An oversized laundry and utility room adds exceptional storage and organization options. Outside, the covered carport keeps the snow and hail off your car, while the rear shed provide space for tools, toys, and outdoor equipment, making this home as practical as it is inviting.
