Description

Fun, bright, and modern this custom-built home is designed to stand out in all the right ways. With 4 bedrooms, 3 bathrooms, and over 2,300 sq ft of elevated living, every space feels intentional, stylish, and easy to love. Granite countertops throughout, custom tile showers,sleek finishes, and a clean modern design give the home a polished yet welcoming vibe. The main level offers 3 bedrooms and 2 full baths including a private primary suite filled with natural light and thoughtful upgrades. Downstairs adds even more flexibility with 1 bedroom, 1 bath, a second living room, and laundry utility area perfect for guests, movie nights, or extra space to spread out. Outside is where the fun really continues with upper and lower outdoor living spaces and a hot tub made for relaxing under the stars. Only one neighbor and open space behind creates a rare sense of privacy and openness. Fully fenced yard, in ground sprinkler system, and extra off street parking round out the perks. Bright, modern, and a little bit bold this one truly stands apart.
