Description

Brand New Flooring! Welcome to a home with more to offer than meets the eye! This inviting 3-bedroom, 1.5-bath ranch blends fresh updates with flexible spaces inside & out. Step into bright, open living & dining areas filled with natural light, complemented by updated flooring, fresh paint & crisp white trim. The main bath features a newly installed shower, while the kitchen offers abundant cabinetry & an easy connection to the dining area. Downstairs, discover even more possibilities with a spacious bonus room could be used as a bedroom (no egress window), plus 500+ sq ft of additional lower-level storage not included in the finished square footage. Outside, enjoy a fully fenced yard with established garden beds, additional parking & a detached tandem 2-stall garage. Garden, create, tinker, store or settle in—this home gives you room to do it all. Fresh improvements, practical extras & possibilities around every corner make 341 E Custer a place ready for its next chapter. A location that keeps you connected! Close to schools, everyday shopping & groceries, with downtown Rapid City, dining, entertainment & recreation just minutes away. Come see what you can make of it!
