Description

Take a look at this fantastic new listing conveniently located near parks and shopping! This spacious home offers 3 bedrooms, 2.5 bathrooms, and 1,920 sq. ft. of living space, along with a 2-car garage and a private backyard. Designed with the convenience of main-level living, the home features a functionable kitchen with a breakfast bar, abundant natural light, and an open living room showcasing original hardwood floors. Upstairs, two bedrooms were combined to create an oversized primary suite complete with a walk-in closet, private bathroom, and laundry setup. The back deck offers great space for entertaining or relaxing outdoors. The full basement provides additional living space with a large family room, two non-conforming bedrooms, a bathroom, and generous storage space. Schedule your showing today!
