Description

Privacy like this is becoming increasingly difficult to find. Tucked away on nearly 3 secluded acres just minutes from Rapid City, this beautifully remodeled property offers peaceful country living without sacrificing convenience, all with no subdivision covenants. Surrounded by mature trees, open pasture, and horses often grazing beyond the back fence, every day begins with breathtaking sunrises and ends with unforgettable Black Hills sunsets. Designed for gathering, the open concept living area is warm, inviting, and functional. The stunning kitchen is the heart of the home, featuring an oversized 10' x 4' quartz island, double ovens, large cooktop, TWO dishwashers, floating shelves, farmhouse sink, and abundant workspace for everything from everyday meals to holiday entertaining. Luxury vinyl plank flooring, beautiful tile work, updated lighting and plumbing fixtures, powder-coated railing, new carpet, custom blinds, and new interior doors create a timeless feel throughout. The thoughtfully designed mudroom with built-in lockers keeps everyday life organized, while the nearby bar area and oversized pantry make entertaining effortless. Upstairs, the spacious primary suite feels like a private retreat with a sitting area, ensuite bath, and incredible sunset views. The finished basement offers additional living space, another bedroom, half bath, and a generous laundry room. Major exterior improvements include a new roof (2020), new siding and fascia (2025), Pella windows, updated front door, and expansive new decks. Outside, you'll find a charming chicken coop with chandelier, goat

house with electricity, fenced pasture, oversized garden, tractor shed with lean-to, mature trees, lilacs, and beautifully established perennial landscaping. If you've been searching for privacy, usable acreage, beautifully updated living space, and the freedom to enjoy the country lifestyle you've been dreaming about, all just minutes from Rapid City, this is one you won't want to miss.
