Description

Well-maintained and thoughtfully designed, this 2-bedroom, 2-bath home offers comfortable living with an inviting combination of quality finishes, functional spaces, and a peaceful setting. Built in 2016, the home features an exceptionally appointed kitchen with abundant Real Wood cabinetry, tile backsplash, a deep kitchen sink, and durable Congoleum flooring. Just off the kitchen, a sliding glass door provides convenient access to the spacious, low-maintenance covered deck, creating an easy connection between indoor and outdoor living. The split-bedroom floor plan places the generously sized primary suite on one end of the home, complete with a walk-in closet and a large ensuite bathroom featuring a double vanity and garden tub/shower combination. The second bedroom and full bathroom are located on the opposite end of the home, offering additional privacy and flexibility for guests, family members, or a home office. The same attractive cabinetry, flooring and tile backsplash carry throughout both bathrooms, creating a consistent, finished look. Additional features include hardboard siding and a NEW roof installed in September 2026. Outside, a 10x12 yard shed provides additional space for tools, outdoor equipment, a small workshop, or extra storage. The property offers a peaceful setting on a spacious rented lot in Mountain Shadows Estates that is ready for your personalization. Enjoy pleasant views of the surrounding hills, trees, and local wildlife; with no neighbors directly behind you. Residents enjoy paved off-street parking, sidewalks, and well-

maintained green spaces, including a playground and picnic shelter. With the Spearfish City Dog Park, hiking, biking, and ATV/UTV trail access nearby, you'll have plenty of opportunities to enjoy the outdoors while still being close to the conveniences of Spearfish.
