Description

Your Peaceful Black Hills Retreat, Just Minutes from Rapid City Escape to 2.58 wooded acres off Nemo Road, where privacy and nature meet everyday convenience. This 4-bedroom, 3-bath home pairs a quiet setting with easy access to everything Rapid City offers. Inside, the open floor plan connects the main living spaces, making it easy to entertain or relax. The primary suite is your own retreat, with a private bath and a walk-in tiled shower. The walk-out basement adds flexible living space and opens straight to the backyard. You'll also find generous storage in the crawlspace and a 2-car garage. Outside is where this property shines. Professionally maintained landscaping is kept green by an underground sprinkler system. The fenced yard flows into an outdoor living area with both a patio and a deck, ideal for morning coffee, summer cookouts, or evenings under the pines. Residents also enjoy a neighborhood pool and park. Homes this peaceful, this close to town, don't come along often. Call today to schedule your private showing.
