## Description

Fairway living with a point of view. Set on hole 8 of Elkhorn Ridge, this 2021 modern home pairs crisp white board-and-batten and black-framed windows with an interior that feels anything but ordinary. Step inside and the great room stops you in your tracks: 18½-foot ceilings, clerestory windows pouring in light, and a striking floor-to-ceiling gas fireplace, added in 2026, wrapped in a black marbled tile surround with a warm wood mantel. Wide-plank floors, matte black fixtures and a sleek black horizontal stair railing carry the clean, modern look. The kitchen is made to be lived in and shown off, with quartz countertops, statement pendants, white shaker cabinetry, subway tile, a gas range and a walk-in pantry. A built-in coffee bar, mudroom lockers and main-floor laundry make daily life effortless. The main-floor primary suite is a quiet retreat with a dual vanity, tiled walk-in shower and walk-in closet. Then there is the 2025 addition, the piece that makes this home even more unique: a private home gym and a dedicated office, both fully finished and climate controlled. The office opens to the patio through sliding glass doors, and the gym’s overhead door with frosted glass panels lets you train with fresh air and course views. Upstairs, an open loft overlooks the great room and connects two bedrooms and a full bath. The finished lower level is built for entertaining, with a sprawling rec room, a wet bar with seating for a crowd, two more bedrooms and a full bath. Outside, the covered patio sets the stage for evenings on the course, and the oversized, heated 3-car garage

has room for the golf cart and a golf simulator, plus a garage sink and EV charger. Five bedrooms, four baths, quick I-90 access, minutes to downtown Spearfish and just $100/year HOA fees. Residents also have access to the Elkhorn Ridge RV Resort amenities, including the pool. Schedule your private tour today! Owner is a licensed South Dakota real estate agent.
