Description

If you are looking for the perfect building lot where you can truly enjoy the views and soak in the sunsets... you have found it! With awesome views of Crow Peak and beyond, this site is the perfect place to build your dream home to enjoy for years to come. You will appreciate the easy access to shopping, dining, golfing, I-90 and more. The back portion of this .39 acre lot extends down the hillside and is suitable if you have a walk-out basement in your plan. Located on a culdesac, this neighborhood offers minimal traffic with a community park area right across the street. Take a look at this amazing lot today! Call for more information.
