Description

Take a look at this split level home offering several updates, vaulted ceilings, plenty of natural lighting and comfortability. Beautiful LVP flooring flows nicely through the open living room, dining and Kitchen space. Kitchen updates included counters tops, kitchen sink, added cabinets with plenty of pantry storage. Two bedrooms and one full bathroom on the upper level and one private bedroom and full bathroom in the lower basement area. All 3 bedrooms include walk in size closets. Additional Bonus upgrades include the laundry room flooring, Maintenance free Trex decking on both the front porch and the extended 12x10 back deck that leads into the spacious backyard. Extra storage with the lawn/garden shed and 21x21 two car garage. Listed by Melanie Lowe, 605-209-0843, The Real Estate Group.
