Description

The last original lot of Spring Creek Preserve now on the market! Listed by Lee Harstad, (605) 920-0537. This lot is just over 2 acres with plenty of options for house designs, including walk-out basement. Electric, water, cable/internet to the lot line. Terrific development - established country living just minutes from all things Spearfish. Outside city limits just north of town with private roads and well. Fantastic view of the Black Hills. Ready to break ground!
