Description

Set in Red Rock Meadows just minutes from Red Rock Golf Course, this spacious ranch styled home offers six bedrooms, three bathrooms and over 3,200 square feet with open gathering spaces inside and out. A three-sided fireplace connects the living and dining areas, adding warmth and character to the open main level. The kitchen features generous cabinetry, stainless steel appliances and breakfast bar seating, while the dining area opens directly to the back deck. The primary suite includes a private bath, walk-in closet and access to the covered deck, with two additional bedrooms, a second bathroom and laundry completing the main floor. Downstairs, the large family room offers plenty of room to spread out. Three additional bedrooms provide flexibility for guests, work or hobbies, along with a third bathroom and ample storage. The backyard is a standout, with a pergola over the deck, a small covered deck and established landscaping framed by mature trees. Rolling hill views beyond the back fence add to the setting. An attached three-car garage and additional parking beside it provide room for your RV, trailer or camper.
