Description

Turnkey Perfection on a Corner Lot! Welcome to this beautifully fully updated, move-in-ready gem that perfectly balances efficient interior living with expansive outdoor space. Situated on a rare, oversized corner lot, this home offers incredible inside living space and unlimited potential for outdoor entertainment, gardening, or future expansion. Step inside to find a completely reimagined interior featuring a bright floor plan with new windows. Every inch of this home has been modernized, boasting original hard wood floors that have been refinished, fresh designer paint, and updatedlighting throughout. The pristine kitchen features custom cabinetry, sleek cutting board countertops, and brand-new stainless steel appliances! Both bedrooms offer comfortable spaces with generous closet storage, while the fully updated bathroom showcases contemporary fixtures and new everything. Major updates provide ultimate peace of mind, including an updated HVAC system, and energy-efficient central air conditioning unit. The massive, fully fenced corner lot is asking you to step out onto the deck to enjoy your private oasis, which offers plenty of room for pets, a large garden, or a detached garage. Located just minutes from local parks, popular dining, and easy commuter routes, this turnkey property delivers the lifestyle upgrades you’ve been looking for. Schedule your private showing today before this unique, affordable property is gone! Listed by Andra Hagen - South Dakota Real Estate Company- (605)390-8166
