Description

This tastefully designed home with stunning views is currently under construction and offers a thoughtfully planned layout with quality finishes. The main level features an open-concept living area, a spacious kitchen with soft-close cabinetry, granite countertops, a corner pantry, included kitchen appliances, and a large center island - perfect for entertaining. The primary suite includes a private ensuite bathroom and a walk-in closet. An additional bedroom and a full bathroom complete the main floor. Luxury vinyl plank (LVP) flooring extends throughout the living room, kitchen, and dining area while the bedrooms and stairs are carpet. The unfinished walkout basement will include one finished bedroom, with space to add an additional bedroom, a spacious family room, and a full bathroom, providing excellent potential for future expansion.
