Description

You’ll love the simple lifestyle at The Ranch at Black Gap! Nestled among the beautiful rolling hills, this inviting two-story home with a finished basement offers 4 bedrooms, 3 bathrooms, and room to spread out, both inside and out! Situated on nearly an acre, you’ll enjoy a spacious yard, distant views of the Black Hills, and plenty of breathing room between neighbors. Inside, a formal dining room provides the perfect setting for holiday gatherings and everyday meals, while the multi-level layout offers flexibility for family, guests, and entertaining. The attached 2-car garage is complemented by abundant additional parking, including space for your RV and other recreational toys! Enjoy the freedom of a large yard without giving up the benefits of a neighborhood, including a community park and walking paths just a short stroll away. Whether you're enjoying a peaceful morning coffee, watching the changing seasons roll across the hills, or simply appreciating a little extra elbow room, this property offers the perfect blend of comfort, space, and easygoing Black Hills living.
