Description

Main Floor Living! Enjoy incredible city views from this beautifully upgraded 4-bedroom, 3-bath home built in 2020! Situated on a landscaped corner lot, this home offers a wonderful combination of modern finishes, comfort, and outdoor living. The kitchen features beautiful quartz countertops and a gas range, while upgraded solid-core doors throughout add quality and style. Living room has a beautiful gas fireplace and room to entertain. The primary suite offers a relaxing retreat with a soaking tub in the primary bath. Step outside onto the spacious 24x12 Trex deck, perfect for entertaining, relaxing, or simply taking in the breathtaking city views. A Trex landing, attractive landscaping, sprinkler system, and metal fencing complete the outdoor space. Additional features include a 2-car garage and thoughtful upgrades throughout. With its beautiful views, inviting outdoor spaces, and modern finishes, this home is one you won't want to miss!
