Description

Picture yourself in this fantastic single level ranch home on the South Side. This move in ready 4 bed 2 bath home got an updated interior remodel in 2022, complete with new windows, floor coverings and even electrical. New shingles in 2021 and a new sewer line in 2010 means that while this house might be older, it's been refreshed and is like new in a lot of ways. Enjoy seamless indoor/outdoor living with a patio off the family room that overlooks the semi-private back yard. Create your own oasis for entertaining, hobbies or just relaxing on the weekend. The detached two car garage has enough room for your cars, projects or both. Text to schedule a showing today. Listed by Ryan Hall - West River Realty - 605.223.1452
