Description

Listed by Kerry Engelmann with Hayden Outdoors Real Estate at 605.484.4325. Find your place in the pines at Bighorn Pines Retreat, where 5.18 acres, sweeping wooded views and generous indoor-outdoor living capture the spirit of the Black Hills just 10 miles southwest of downtown Rapid City off Sheridan Lake Road. Built in 2005, this ranch-style home offers 4,063 finished sq ft across two levels, five bedrooms and four baths. A vaulted great room draws the landscape inside through gable windows, while French doors open to a 650-square-foot wraparound deck above the pine-covered hills. The kitchen pairs a large island with double wall ovens and a walk-in pantry. Retreat to a primary suite with its own fireplace, deck access, jetted tub, separate shower and walk-in closet. The walkout lower level, remodeled in 2025, adds a full second kitchen, bedrooms, baths and a family room with a stove, opening to a covered patio. Outside, gather at the stone fire pit on the paver patio or put your next project in motion in the 24x50 shop, built in 2023 with 200-amp service and a 12x50 lean-to bay. A two-stall drive-under garage and covered front parking add everyday convenience. A new Class 4 impact-resistant roof went on in June 2026, and a private well, septic and propane serve the property. Sheridan Lake Marina is about 13 miles away and Rapid City Regional Airport is 19 miles. Space to spread out, room to create and a Black Hills setting that makes coming home the best part of the day.
