Description

Don’t miss this opportunity to own a newer home with so much to offer! Built in 2023, this 2-bedroom, 1-bathroom home at 113 E. Philadelphia Street combines modern finishes, a smart use of space, and easy, low-maintenance living. The functional floor plan makes every square foot count, offering a comfortable and welcoming space you’ll love coming home to. Outside, you’ll appreciate the beautiful wood privacy fence, adding both privacy and a great space to enjoy the outdoors. The home also features a solar system, offering the potential for added energy savings. Whether you’re a first-time buyer, looking to simplify your lifestyle, or an investor searching for a great rental opportunity, this property checks all the boxes! Newer construction, minimal upkeep, and investment potential make this one worth a look. Schedule your showing and see the possibilities for yourself!
