Description

This 3-bedroom, 1½-bath home, 1344 square foot home offers a welcoming place to make your own with many of the big-ticket updates already completed! New siding and windows, a furnace approximately 5 years old, a gas water heater, and insulated flooring and skirting help keep the home comfortable and efficient. The inside is ready for your personal touches making it feel like home. A dedicated laundry area, storage shed, and parking for two vehicles add everyday convenience. Set in a quiet, clean park, monthly lot rent is $595 and includes street snow removal. Chain-link fencing is permitted; rentals are not allowed. County restrictions prohibit carports in this area. Call the listing agent for more information on financing.
