Description

Listed by Stacey Nelson | REMAX Results 605-390-9028. Dreaming of a home in the Black Hills with a little room to breathe, yet close to everything? Just 15 minutes from downtown Rapid City, this beautiful, move-in-ready 4-bedroom, 3-bathroom home offers the space, privacy, and peaceful setting you've been looking for! Surrounded by open land with a comfortable buffer from neighbors, this property features a barn, raised garden beds, an established garden area, and beautiful eastern views. Inside, the open-concept main floor brings together the kitchen, dining, and living areas, complete with an electric fireplace. The spacious kitchen offers beautiful tile floors, built-in ovens, an oversized pantry, and a raised breakfast bar with plenty of room to gather. Step directly from the dining area onto the low-maintenance deck, perfect for morning coffee, evening relaxation, and taking in the stars. The primary suite features a walk-in closet, walk-in shower, and private balcony, while an additional main-floor room offers flexibility for a bedroom or home office. Downstairs, you'll find two more bedrooms, a full bathroom, and two separate living areas, providing plenty of space for family, guests, or entertaining. An extra-large mudroom, additional oversized storage room with workshop potential, and spacious two-car garage offer exceptional room for hobbies, projects, and all your Black Hills gear. Enjoy the best of both worlds—country living with the convenience of Rapid City just minutes away. Homes offering this much versatility, storage, and breathing room are worth a

closer look. Schedule your private showing and see what makes this property so special!
