Description

Listed by Stacey Nelson | RE/MAX Results | (605) 600-7728. Can you say cute, cute, cute? This darling 4-bedroom, 3-bath home offers 2,368 square feet of comfortable living space, a three-season sunroom, pergola-covered deck, partially fenced backyard, and versatile garden/hobby shed—what’s not to love? Step inside to fresh luxury vinyl plank flooring and a bright, inviting main level featuring two bedrooms and two bathrooms. The beautifully remodeled kitchen is perfectly designed for cooking, entertaining, and conversations around the breakfast bar. Its open layout flows effortlessly into the living and dining areas, where a skylight fills the space with natural light. Just off the dining room, the charming three-season sunroom provides the perfect place to enjoy your morning coffee, unwind with a good book, or entertain friends. From there, step onto the lightly shaded deck beneath the wood pergola and enjoy the privacy of the backyard. The spacious primary suite includes a walk-in closet and a private bath area with the vanity separated from the tub, shower, and toilet. Downstairs, you’ll find two additional bedrooms, a generous family room, and added egress for natural light and flexibility. The washer, dryer, and water softener are all included, making this home easy to enjoy from day one. An in-ground sprinkler system and well-maintained yard complete the package. Keep your cars and toys out of the elements and shiny clean in the attached garage. Priced to attract attention, this adorable home may not stay available for long.
