Description

Listed by Renee Sales, RE/MAX Advantage, 605-484-9013. Everything you need for UNDER $400K in Copperfield Vistas, and it passes the vibe check! Welcome to 811 Copperfield Drive! With 4 bedrooms, 2 bathrooms, over 2,200 sq' of finished living space, and an attached 2-car garage, there's a whole lot to love about this one! Meticulously maintained and move-in ready, this home makes a great first impression with vaulted ceilings, loads of natural light, charming arched doorways, and rich, moody paint colors that aren't afraid to make a statement. The kitchen brings plenty to the table with rich cabinetry, custom tile backsplash, updated appliances including a Samsung Bespoke two-tone refrigerator, a gorgeous double-bowl apron-front sink, and a pantry with room for ALL the things. The dining area is light and brigh with windows on two sides, while glass sliders from the living room lead out to the deck, with stairs down to the fenced and sprinkled backyard. Two bedrooms are on the main level, including a spacious primary with his and hers closets and a Jack-and-Jill bathroom. And don't miss the oversized coat/utility closet near the stairs . . . the EVERYTHING closet for all that stuff you never know where to put! The DAYLIGHT basement is anything but an afterthought. Two additional bedrooms, a full bathroom, laundry, and a family room measuring approximately 20' x 32'5" give you some serious room to spread out! Movie nights, gaming, workouts, crafting, or a little of everything — you decide! Outside, you've got a fenced backyard, elevated deck, sprinkler system,

and attached 2-car garage. PLUS, Copperfield Vistas residents enjoy access to McCandless Armstrong Memorial Park. And when it's time to head out, Ellsworth AFB, Rushmore Crossing, and downtown Rapid City are all within easy reach. Full of character and ready for its next chapter. Just bring your stuff!
